

Incoming Wiring Instructions

Domestic Incoming Wire:

Denver Community Credit Union

1075 Acoma Street

Denver, CO 80204

Routing Number: 302075694

Member Account Number: _____

Member Name: _____

Member Address: _____

International Incoming Wire:

Members requesting incoming international wire transfers must instruct their financial institution abroad to first send the funds to their corresponding U.S. financial institution or stateside bank. That U.S. financial institution will then forward the funds to:

Denver Community Credit Union

1075 Acoma Street

Denver, CO 80204

Routing Number: 302075694

Member Account Number: _____

Member Name: _____

Member Address: _____

Please note: Denver Community Credit Union does not have a Swift Code and therefore cannot accept international wires **directly** from abroad.
